

Admission policy at SIEC

At Soodeh International Educational Complex, we adhere to the policy of non-discrimination and equal opportunity for all students. Our program welcomes applicants of any race, color, national or ethnic origin, religion, and disability. Our goal is to provide a safe and diverse learning environment for every student, and we work to ensure that every student has equal access to educational opportunities and resources.

The entry criterion for the MYP Program is the completion of Grade 5 primary school.

In the Middle Years Programme, students take courses in the following subject areas: Language and Literature, Language Acquisition, Individuals and Societies, Sciences, Mathematics, Design, Physical Education, and The Arts. In grade 9&10, students also have the opportunity to work on a personal project and a community project.

The course hours for each subject are standardized at 50 hours per year. However, note that students may take additional courses or explore additional extracurricular activities as part of their personal learning journeys.
