

SIEC Strategy

Soodeh International Educational School's Strategy is as follows:

1. Develop a strong relationship and inclusive curriculum that is globally focused and incorporates a range of international perspectives.
2. Recruit and retain a diverse and highly qualified faculty and staff with international experience and expertise.
3. Foster a supportive and inclusive learning environment that celebrates diversity and promotes open-mindedness and understanding of different cultures.
4. Provide opportunities for students to engage in international experiences such as exchange programs, study abroad, and service learning projects.
5. Implement a strong language program that offers opportunities for students to become proficient in multiple languages.
6. Encourage the development of critical thinking, problem-solving, and communication skills through a rigorous and inquiry-based approach to learning.
7. Emphasize the development of intercultural understanding and global citizenship through the integration of international mindedness into all aspects of the school community.
8. Collaborate with other international schools and organizations to share best practices and resources, and to foster global connections and partnerships.
9. Provide ongoing professional development for faculty and staff to ensure they are equipped to deliver a high-quality international education.
10. Engage with parents and the wider community to promote understanding and support for the school's international mission and values.
